"Children, obey
your parents in
the Lord: for this
is right."
Ephesians 6:1

My Weekly Chore Chart

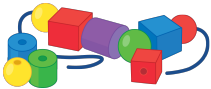

Here is a little chore chart for your child. If you have more children, you can print one for each of them. How can you use this? Place the chart on the fridge so they can see it. Explain to them what each picture means. Talk to them about obedience and what it means to help around the house. As they complete daily tasks, have them place a sticker in the box. 😊 There are four type of tasks given on the chart. There is also a blank box for you to put in a specific task you wish.

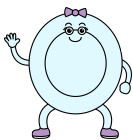

Making the bed/helping to make the bed

Taking out the trash or throwing away trash

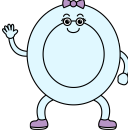

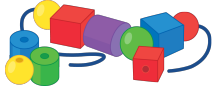

Cleaning their room or picking up toys

Washing/drying dishes, putting away dishes, or setting the table
